A DAY-LONG, PBL IMMERSION EXPERIENCE

For adult learners who want to understand deeply how teachers design and implement BIE 'gold standard' project-based units of instruction.

The day will include guided observations of PBL classrooms, facilitated collegial discussion of these observations using **School Reform Initiative** protocols, and presentation of ideas/instructional tips from a **National Faculty member** of the Buck Institute for Education - the premiere PBL professional development organization in the United States.
